

TARC'S TRIP TO LEH

Join TARC for an incredible 7-day adventure to Leh, where the students will experience the stunning beauty and unique culture of the Himalayas. Traveling through the beautiful mountain passes, visiting ancient monasteries, and experiencing the serenity of crystal-clear lakes is an experience of a lifetime for the students. With our expert guides, the students get to explore, learn, and grow!

Highlights of Leh:

- Pangong Tso Lake - The world's highest saltwater lake
- Nubra Valley - Valley of flowers
- Magnetic Hill - A Zero Gravity Place in India
- Monasteries - with their unique architecture and spiritual aura.
- Indus-Zaskar Sangam - The Indus River is a shiny blue, while the Zaskar River is muddy green
- Visit to Druk Padma Karpo School or popularly known as "Rancho's School"(from the movie 3 Idiots)

The outcome of Leh Trip:

The Leh trip will give students an unforgettable Himalayan adventure. They will explore the stunning sites of the Himalayas and enjoy activities like camel rides and monastery visits. This journey will offer cultural insights, foster personal growth, and create lasting memories.
