Second contact session	06.01.2024 (on site)	All faculty (in small groups)	a. Final Assessment b. Microteaching
------------------------	----------------------	-------------------------------	---

Instructions to the students

1. Attendance at the first & second contact sessions (20.11.2023 & 06.01.2024) is compulsory.
2. There are six modules for the course.
3. Resource materials and Objective assessment of the modules will be available in the LMS every consecutive Monday beginning from 20.11.2023 till 18.12.2023, and on 26.12.2023 (Tuesday) for the last module.
4. Each module consists of 4-5 videos of approximately 20 minutes duration which can be viewed at your own pace.
5. Each module has one assessment – objective type – which can be submitted at your own pace.
6. The second contact session consists of a Final Assessment in objective type, and a microteaching session.
7. For the microteaching session, you will have to make a small presentation of 5 minutes on a small topic of your choice in your subject. This is for the purpose of formative assessment of your teaching skills.
8. You will have to submit feedback at the end of the course in the LMS.

Eligibility for course completion and certification

- Minimum aggregate 50 % score in all Formative assessments (six in number)
- Minimum 50% score in the Final Summative Assessment
- Attendance in first & second contact sessions including the Microteaching session.
